

# Application List

Traditional Rotary Vane Technology

New Oil Lubricated Vacuum Pumps

New Rotary Vane Dry Vacuum Pumps

New Claw Vacuum Pumps

Applications	Traditional Rotary Vane Technology	New Oil Lubricated Vacuum Pumps	New Rotary Vane Dry Vacuum Pumps	New Claw Vacuum Pumps
Air sampling and monitoring	yes			
Bottling		yes	yes	yes
CNC marble and glass machines		yes		
CNC routing machines				yes
Composites	yes	yes	yes	yes
Filling and sealing machines		yes	yes	yes
Food processing	yes	yes	yes	yes
Garage equipment		yes		
Graphic and paper industry	yes	yes	yes	yes
Holding and lifting stone			yes	
Industrial parts washer		yes		
Medical vacuum in dental/surgical clinics	yes	yes		yes
Oil automatization	yes			
Ovens		yes		
Packaging	yes	yes	yes	yes
Pharmaceutical applications		yes	yes	yes
Precious metal vacuum casting machines		yes		
Preservation/vacuum pressing of wood		yes	yes	
Production of PET containers		yes	yes	
Sausage making machines		yes	yes	yes
Soil remediation				yes
Thermoforming	yes	yes		yes
Vacuum conveying systems				yes
Vacuum lifting/packing machines	yes	yes	yes	yes
Water aeration	yes			yes
Woodworking			yes	yes
Workshop equipment	yes	yes	yes
