THE NEW WAY TO FINANCE EQUIPMENT

QuickFi brings innovation, transparency, and efficiency.

Busch Vacuum Solutions has partnered with QuickFi® to offer fixed-rate term financing in minutes, not days or weeks.

QuickFi is accessed directly from your mobile device, placing a 24/7 financing tool in your hands. QuickFi eliminates many steps in the traditional finance process. QuickFi enables prompt, convenient financing of Busch Vacuum Solutions' equipment.

PROGRAM FEATURES

- **A revolutionary new borrower experience:** QuickFi enables a simple, 3-minute financing process with no back & forth. Funding occurs within a day, if the equipment is ready for acceptance.
- **Equipment financing in minutes, not days or weeks:** The 100% digital QuickFi platform allows for streamlined, instant credit decisioning and a simple three minute transaction documentation process.
- **Always on:** The QuickFi app is always on, 24/7/365. Apply, share information, sign loan documents, and receive funding inside our revolutionary app—all at your convenience.
- **Repeat transactions with ease:** For all new transactions, you are set up and ready to close financing instantly. You have 24/7/365 access to reporting and servicing in the mobile app.
